Re: December 13, 2018 Meeting Follow-Up; San Mateo Creek Basin Legacy
Uranium Mines Superfund Site

Ms. Travis and Mr. Capuyan:

On behalf of our client, Holly Minerals, we write to again express our appreciation for your time and attention in meeting with us in Dallas. It was a productive first step in what we hope will be on-going discussions. As promised, we enclose the Powerpoint Presentation (as a .pdf file) on a flash drive. I will be reaching out to you approximately every 60 days, as agreed, to provide and receive updates.

Happy Holidays and best wishes for 2019.

Sincerely,

STEPHEN L. JANTZEN
